The Poison Tea

Once there was a lady and man who wanted a child.

The lady went to the grocery shops and saw another lady giving out tea.

The lady said drink this tea every day and all your dreams will come?

The next day she was a snake, it was actual poison.

When she was slithering she saw the evil witch. POW!!!!
The evil witch jumped with fright. The lady got her heart.
She was a lady again. The end.
